A WORD ABOUT PRICE

If there is any lingering doubt in your mind as to whether or not Furniture Prices have reached bedrock, we believe the prices on our morchandise will prove beyond any question that the furniture business, at least, has been among the first to reach the bottom and it is predicted that present prices are even below the figures at which prices will soon stabilize themselves. There is every reason why you should buy now, and we will gladly arrange convenient credit terms on any purchase if desired.
